About Down Syndrome Network

From birth through school-aged years and beyond, individuals with Down syndrome and their families face a wide range of challenges and find themselves immersed in an ever-changing, often complicated journey to learn how to best support and nurture their loved ones.

Please join us for DSNetwork's spring fundraiser, LIGHTS, CAMERA, AUCTION. It is a festive evening with a live and silent auction, a fun Casino Royale, along with plenty of food, entertainment and recognition awards.

Date: Friday, May 11, 2018

Time: 6:30 p.m. – 9:30 p.m.

Place: Phoenix Art Museum

LIGHTS, CAMERA, AUCTION: Serving as DSNetwork's premier spring fundraising event, LIGHTS, CAMERA, AUCTION benefits the comprehensive services of DSNetwork in Arizona, which includes new parent outreach, early intervention programs, educational workshops, medical outreach and direct family and individual support. LIGHTS, CAMERA, AUCTION benefits the comprehensive services of DSNetwork for more than 2,500 people in Arizona with Down syndrome and their families.

The generosity and financial support of Arizona corporations and businesses will help make the 5th annual LIGHTS, CAMERA, AUCTION fundraiser for DSNetwork a huge success and will raise necessary funds to help us meet the many challenges and much needed services for the Down syndrome community. Your support will help fund the essential services so necessary to effectively manage the special needs of Down syndrome.

About Down syndrome and the DSNetwork:

For 15 years, DSNetwork has been promoting positive acceptance and inclusion for individuals with Down syndrome. When a parent learns their child has Down syndrome, the news can be overwhelming. Questions of how, why, what, and a roller coaster of emotions take over. From learning the diagnosis through school-aged years and beyond, individuals with Down syndrome and their families face a wide-range of challenges. They find themselves on a wonderful, but complicated journey to learn how to best support and nurture their loved ones. Individuals with Down syndrome are bright and creative and with every challenge they are given, they provide laughter and joy to those around them. Down Syndrome Network assists families every step of the way.

YOU CAN HELP!

DSNetwork does not receive any government or insurance funding. All of DSNetwork's programs and services are supported by corporate and private contributions. Together, we have the opportunity to act with compassion, wisdom, and generosity – to successfully meet the immense needs of individuals with Down syndrome and their families. Thank you in advance for your kind consideration of your generous support of our efforts.
