

Congratulations on the birth of your baby From Down Syndrome Network (DSNetwork)

DSNetwork is a not-for-profit organization with a mission to provide comprehensive education, support and advocacy for those individuals and families affected by Down syndrome (DS). We are a parent support network made up of parents, professionals, educators and anyone interested in gaining a better understanding of Down syndrome. DSNetwork programs include New Parent Resources, Early Intervention Workshops (for parents of ages 0-3), Medical Outreach, Community Education, Family Connections (Mom's Night Out, holiday party, family socials), Young Adult Group (for teens and young adults) and Parents & Schools in Partnership education programs.

DSNetwork's New Parent Mentor Program offers a connection to another parent. Our Parent Mentor parents are an invaluable source of information and support. DSNetwork is also pleased to offer each new family a new parent welcome resource pack, with books, information and our annual calendar.

Due to privacy concerns, the hospital cannot share your information with DSNetwork without your permission. If you would like to connect with us, please complete the following information:
